Please tell us (*adapt the form if you want more space*):

What do you hope to gain from attending the course?

What experience, if any, do you have relevant to learning about permaculture?

Given the focus of the PDC we are interested in how you envisage what you gain from attending will feed back into the rest of your life (in terms of your own practice, your work or communities and organizations you might be involved in)?

Do you want to tell us about any health or mobility issues that might affect your participation?

We provide organic and well balanced locally produced food. Please let us know about any special dietary needs you might have, as well as any other medical conditions which we should know about.

Is there anything else you would like to tell us that you think is relevant?

We offer a limited number of places with a reduced fee. Please let us know your circumstances if you wish to apply for those.

We also offer two places for free which are open to Refugees. Please let us know if you would like to apply for these.
